RE: THANK YOU ALL FOR A WONDERFUL EVENING!

Good Morning Harlem Ambassadors – Players and Support Members!

What a wonderful experience we all enjoyed working with the whole Harlem Ambassadors Organization!

Besides being a very successful fundraiser for our Playground Build – the Harlem Ambassadors Basketball Team was the most enjoyable, fun, family orientated entertainment this area of three very small rural farming towns has ever had perform here. As I looked out at our huge crowd I saw big smiles and lots of laughing by young and old alike. Whole families were having such a great time together; they didn't want the game to end.

Most surprising to me the 20 men and ladies that paid to play on our Leisure Land Lizards Team against the Harlem Ambassadors had the best time of all! Without exception every one of our players said they would definitely do it again, because they got to be part of the crazy stunts in such a fun game!

No one on our Leisure Land Playground Steering Committee, especially Leslie Willoughby our hard working Chairperson for this event, would hesitate to recommend the Harlem Ambassadors to any group that wants to raise money while lifting the spirits of their community! We are still receiving complements about how much fun this basketball game was for all that attended.

Thanks for being even better than you promised!
